

The NCW Sun Devil organization was founded in 2014 to build a competitive fastpitch culture in North Central Washington for youth ages 18 & under. In 2023 the organization expanded that mission to youth baseball. The organization develops the individual and team skills of young athletes while promoting self-confidence, stressing the values of hard work, team play, and sportsmanship. Our goal is to produce confident young people that will excel on and off the field by being outstanding teammates and citizens of their respective communities.

The Sun Devil organization stresses the value of being a good teammate on and off the field. It's simple - be positive, encouraging, and empathetic to your teammates and it will return to you. If your player is struggling with being a good teammate, our coaches and administrators will address it. The player will be held out of play until they understand how to be a better teammate. When being a bad teammate extends to bullying, we will have zero tolerance. Bullying is defined as, "seeking to harm, intimidate, or coerce someone perceived as vulnerable." If our coaches or administrators see or find any instances of bullying a teammate on the field, in the dugout or online the player will be immediately dismissed from the team and a pro-rated amount will be refunded to the family.

We attempt to make the program as affordable and accessible as possible to every girl in North Central Washington. We ARE North Central Washington's travel fastpitch club! Most of our 16U-18U players are the varsity backbones of area high school teams. This past year we experienced dramatic rises in expenses. Everything is more expensive, and we are also attempting to bring in more resources to help our athletes be successful in their personal development goals.
